

# EXPERT CONSULTANT

## IRENE WIJOYO

### Senior Consultant

Irene joined the vertical transportation industry in 2011 as a part of the KJA Consultants Toronto office. In 2015, she transferred to join the Vancouver office, providing dedicated services for Vancouver Island and additional support for the mainland. She has inspected hundreds of devices in commercial, retail, and residential settings throughout Ontario and BC. Her managerial experience includes:

- Management and coordination of accessibility lift, dumbwaiter, and escalator new construction projects;
- Management of elevator modernization and new construction projects;
- Maintenance management program implementation; and
- Procurement assistance and contract negotiations.

Irene has managed a variety of modernization, new construction and maintenance projects and has provided support for national programs for real estate and property management firms in Ontario and BC.

In addition to her project work, Irene is part of the specifications team overseeing the production of technical new construction, modernization and maintenance specifications as well as service agreements for all KJA projects nationally.

#### Education

- B.A.Sc., Mechanical Engineering – University of Waterloo, Waterloo, ON
- M.A.Sc. Mechanical Engineering – University of Waterloo, Waterloo, ON

#### Qualifications

- Elevating Device Mechanic - Class T (ON)

#### Technical experience:
